Travessia Quarterly Newsletter

Summer 2009

Full Summer Ahead

We've been incredibly busy at Travessia not only working on the wines that we'll be releasing in the future, but also with many private and public events which help us spread the word about our young winery.

In the last couple of months we've been fortunate to grow Travessia's small world in many ways...

- Joined the Coast Wine Trail of Southeastern New England.
- Established a relationship with one of New England's premiere wine retail stores - Bin Ends.
- Expanded our website to include online shopping. We can now ship our wines anywhere within Massachusetts.

...and we are having a blast doing all this!

In the upcoming months we'll continue to work hard on accomplishing our goal of producing quality wines made with 100% Massachusetts grown grapes. I want to thank each and every one of you for your support and kindness.

All the best,
Marco Montez - Owner & Winemaker

Upcoming Events

<<I'm no wine connoisseur but your Vidal Blanc reminds me of some of my favorite Rieslings. We had it at a Thai restaurant which is BYOB only, but I can see myself drinking a glass (or two) by the pool side. And it's made in Massachusetts! Good stuff.>> *Jennifer Bennett, New Bedford, MA*
